AMENDMENT 0003

**TO BIDDERS**

1. The following changes shall be made:

**DRAWINGS**

The following drawings, bearing the revision date of August 22, 2005, supersede drawings bearing the same number and title:

**DRAWING FILE NO**

7687-16480

**SHEET REFERENCE NUMBER/TITLE**

A4-02 RESTORATION DETAILS: TYPICAL  
CONCRETE DETAILS, SHEET 2

**ANSWERS TO QUESTIONS (For Informational Purposes Only):**

1. On Drawing E1-02 note 16 it calls for coax cable to be pulled from the pressbox. We have not been able to find the spec. for this cable. What is the spec. for the coax?

Response: Keynote 1 on E1-01 indicates the type of coax cable to be provided.

2. "Drawing number A4-02 general note states that ODIA will provide replacement stanchions from their stock of spares. Your answer to question 18 seems to indicate that the contractor will be responsible to have new stanchions made. The question therefore is as follows; is the government going to provide replacement stanchions as indicated in the notes on the drawing or is the contractor going to be responsible to have these made?"

Response: After discussion with the USMA, we have jointly determined that the contractor is to assume the loss of 5% of the stanchions during

removal and to account for replacement of those stanchions in his base bid price. The note on drawing A4-02 will be amended to reflect that.

#### SECTION 00010 - SOLICITATION CONTRACT FORM

The required response date/time has changed from 24-Aug-2005 02:00 PM to 29-Aug-2005 02:00 PM.

The contractor shall also pay \$500 to the Office of the Director of Intercollegiate Activities at the U.S.M.A. (for a total of \$1,074) for each calendar day of delay until the work is complete.

(b) If the Government terminates the Contractor's right to proceed, liquidated damages will continue to accrue until the work is completed. These liquidated damages are in addition to excess costs of repurchase under the Termination clause.

(c) If the Contractor fails to have all seats available for any of the seven home football games, the Contractor shall pay liquidated damages to the Office of Intercollegiate Activities at the U.S.M.A. in the amount of \$250 per seat per game lost.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- \* an existing published wage determination
  - \* a survey underlying a wage determination
  - \* a Wage and Hour Division letter setting forth a position on a wage determination matter
  - \* a conformance (additional classification and rate) ruling
- On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations

Wage and Hour Division

U.S. Department of Labor

200 Constitution Avenue, N.W.

Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator

U.S. Department of Labor

200 Constitution Avenue, N.W.

Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board

U.S. Department of Labor

200 Constitution Avenue, N.W.

Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
